安装说明(Installation instruction)

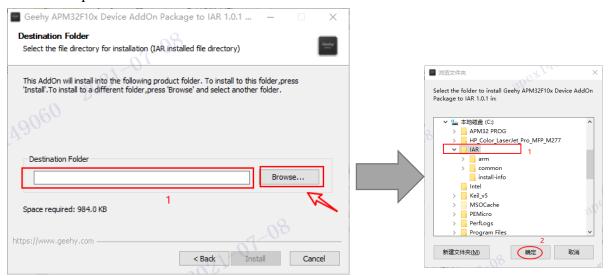

Stap1: 打开软件之后,请点击 "Next"以继续 IAR 文件安装。

EN: Clicks the "Next" button to install the files.

Stap2:在路径选择界面,若红框1中内容为空,请点击"Browse..."来选择 IAR的安装目录。部分版本会自动识别路径,若已有路径,请直接执 行 Step3.

EN: If the installation path cannot be automatically detected, please clicks the "Browse..." button to **choose the IAR installation path**. Otherwise go to Stap3.

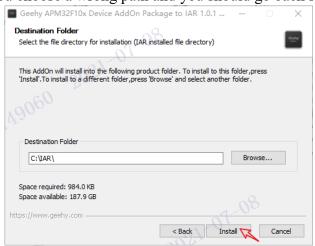

注:路径指的是安装 IAR 时使用的文件夹,如上图,我安装 IAR 时选择的是 C 盘下的 IAR 文件夹,因此我的路径是"C:\IAR\"。

Note: The IAR installation path means the path that you choose to install the IAR. My IAR install in *IAR* folder on C drive, so my path is "C:\IAR\" as the picture show.

Stap3:点击"Install"来执行文件安装。若路径不正确,则会出现警告,应该继续Stap2。

EN: Clicks the "Install" button to install the IAR files. There will be warning when you choose a wrong path and you should go back stap2.

注:下图所示的是路径出错时会弹窗的警告。 Note: The path warning like the picture below.

Stap4: 完成安装。 EN: Finish.
